

Monoprint mark-making and chine colle Material List

- An image/ photograph to work from
- Block ink (ideal), but you could try acrylic paint mixed with block medium, or poster paint, maybe experiment with watercolour – results will vary.
- Materials to remove/ imprint on the ink: tissue/ cotton buds/ vegetable netting/ hessian or open weave fabrics/ bubblewrap/ thread/ string/ leaves etc
- Thin coloured paper or tissue paper (for chine colle)
- Pva or stick glue
- Paper to print onto – use whatever you have – printer paper or cartridge paper will be fine
